

Lunch Box with Thermos

The lunch box is made up of 2 layers

1. The base with no cutouts is cut from white && the handle is cut from white
2. The top has a cutout and is cut from red.

The apple on the lunch box consists of a base cut from green && a top layer cut from red

The assembled apple and the A (cut from green) are glued within the opening on the front of the lunch box.

The thermos is made up of 2 layers

1. The base cut from white
2. The top cup cut from red
